### Paduka Pujas:

#### Class XII on 12<sup>th</sup> June :

Students of Class XII performed the Paduka Pooja on 12<sup>th</sup> June- the reopening day of the Vidyalaya. Blessings of the Almighty were sought to be on the right track, and do their best in academics in such a crucial year of their career. May Gurudev's blessings always be with them!

**19<sup>th</sup> June 2017: Election Campaign**

The election campaign for the elections to the Vidyalaya's student council began early in June itself. Our senior students filed their nominations for different posts in the Council. The students of Class VI to XII exercised their franchise. The teachers also cast their choice through the ballot paper.

**Students and teachers voting for the Vidyalaya council members**

**Results of the Election Campaign:**

Student council members for the Academic Year 2017-18 were elected through the regular democratic secret ballot system. Responsibilities and duties were given to the students. It is expected that these children perform these additional duties apart from doing their best in academics as well. All the best to all of them.

**Elected Council members for the year 2017-18**

**21<sup>st</sup> June 2017: International Day of Yoga.**

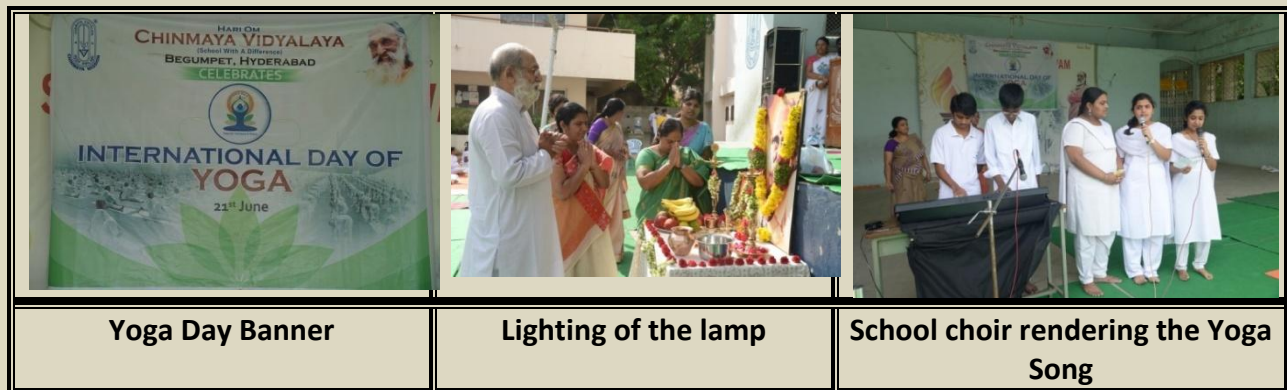

**Board decoration in the first floor lobby**

**Board decoration in the ground floor lobby**

International Yoga Day was celebrated in the Vidyalaya, with the school choir children rendering the very meaningful Yoga song, the music of which, was composed by our Vidyalaya Music teacher, Smt. NagaSuneeta.

Students of Classes VII, VIII and IX participated in a variety of yogasanas, spreading the cumulative cosmic energy generated as a result of this form of body exercises.

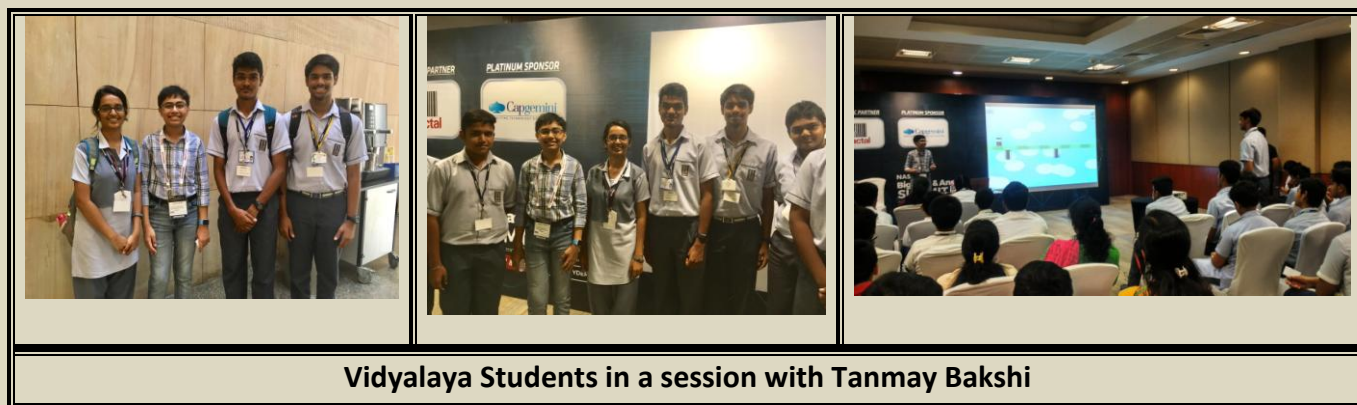

It was exceedingly heartwarming to remind ourselves of the vision of our Prime Minister, Sri. Narendra Modiji, who was instrumental in getting 21<sup>st</sup> June declared as the International Day of Yoga. The oneness of the Vidyalaya could be felt in the disciplined manner in which children have performed the asanas. This has taken lots of practice by the yoga teachers and the students.

## 23<sup>rd</sup> June 2017: Participation in NASSCOM Big Data Summit:

10 students accompanied by our Vidyalaya faculty , Sri. Krishnakant attended a workshop on Artificial Intelligence at Hyderabad Convention Centre, Novotel on the 23<sup>rd</sup> of June 2017. This workshop was conducted by 13 year old Tanmay Bakshi, a highly popular whiz kid from Canada who has been programming since the age of 5.He spoke about benefits if AI, deep learning, neural networks and machine learning.

He explained about his latest project which helps people suffering from Rett Syndrome (a neurological disorder that impairs the the usage of muscles of the eyes, body and also the speech) to communicate with the outside world by capturing their brainwaves pattern and display the person’s message on the computer screen.

It is indeed amazing to have met a person of such high caliber and capability, when most of us at his age are still playing pranks and having fun. It is indeed an excellent opportunity for our Vidyalaya children to have attended this workshop.

## 29<sup>th</sup> June 2017: Visit to Ravindra Bharati:

On 29<sup>th</sup> June eleven students of Class IX, X and XI accompanied by Principal madam-Vani madam, and admin faculty- Sri. Krishnakanth participated in an awareness programme conducted by the “Traffic Police of Hyderabad” at Ravindra Bharati. The main aim of this programme was to show students their responsibility towards society and to ensure safety amongst students. This session promoted Swachh Bharat and road safety. The chief guest of

the event was Sri. M. Mahinder Reddy- Commissioner of Police , Hyderabad City. Sessions were conducted by the GHMC Commissioner- Sri. Janardhan Reddy and the joint commissioner of police (traffic)- Dr. V. Ravinder. Children being the next generation to make use of these facilities, awareness needs to be created and the rules need to be followed strictly by them, right from this age so as to mould themselves as good citizens of our country, in order to be part of universal oneness. Being addressed by such disciplinarians of the country, our Vidyalaya children along with all other children who participated in this programme, were strongly inspired to follow safety rules and to have a Swachh Hyderabad and a Swachh Bharat.

Lobby board decoration in the ground floor

A week prior to his birthday, the activity given for CCA was "making a birthday greeting card for Guruji's Birthday". Children poured in their ideas, with a spectacular combination of colours and cut outs. An amazing showcase of talent by our middle school children. These greeting cards were displayed in the lobby boards in the ground floor.

SUPW teacher, Smt. SapnaKumari made a very beautiful birthday card for Guruji. Class XII students made an amazing greeting card in the shape of a box. The moment the lid was opened, this magical box changed to four fold set of sheets. Some of the sheets were again in the form of boxes. On opening all the boxes, the entire set of sheets had handmade cards, each one a special creation by itself. Hats off to the entire group of Class XII students and the teachers who have supported them! Amazing thought process and creativity of these children! Seeking His blessings on this occasion, these cards were sent to Guruji.
